Subverting convention, award-winning creators M. T. Anderson and Eugene Yelchin pair up for an anarchic, outlandish, and deeply political saga of warring elf and goblin kingdoms.

Uptight elfin historian Brangwain Spurge is on a mission: survive being catapulted across the mountains into goblin territory, deliver a priceless peace offering to their mysterious dark lord, and spy on the goblin kingdom “from which no elf has returned alive in more than a hundred years. Brangwain’s host, the goblin archivist Werfel, is delighted to show Brangwain around. They should be the best of friends, but a series of extraordinary double crosses, blunders, and cultural misunderstandings throws these two bumbling scholars into the middle of an international crisis that may spell death for them and war for their nations. Witty mixed media illustrations show Brangwain’s furtive missives back to the elf kingdom, while Werfel’s determinedly unbiased narrative tells an entirely different story. A hilarious and biting social commentary that could only come from the likes of National Book Award winner M. T. Anderson and Newbery Honoree Eugene Yelchin, this tale is rife with thrilling action and visual humor . . . and a comic disparity that suggests the ultimate victor in a war is perhaps not who won the battles, but who gets to write the history.

Assassination of John F. Kennedy - Wikipedia The assassination evoked stunned reactions worldwide. The first hour after the shooting was a time of great confusion before the President's death was announced. The incident took place during the Cold War , and it was at first unclear whether the shooting might be part of a larger attack upon the United States.
